ASSEMBLY INSTRUCTIONS FOR PL402SG SEAT ADDENDUM

IMPORTANT ASSEMBLY TIP:

Do not tighten any nut and bolt combinations completely until all parts are assembled together! Finger tighten plus one turn of a wrench only! This will temporarily hold the lock- nut on the bolt while helping alignment of all parts! After all parts are assembled together, all nut and bolt combinations must be completely tightened.

All assembly must be done completely in this order before use.

Do not remove labels/warnings from product, they are there for your safety.

Recommended for adult use only.

STEP 1

1. Attach the three seat supports (1) to the seat plate (2) and base plate (3) using six 1/4 X 1-1/2 IN bolts (5) and nuts (6).

SEE FIGURE 1.

NOTE: STEP 2 should be completed after STEP 13 and before STEP 14 of the Operator's Manual for the Bolderton 10' Tower by Landmark™.

2. Secure the seat assembly onto the platform using two 1/4 X 2 X 1-1/4 IN U-bolts (4) and four nuts (6). Seat should be placed at the bottom center of platform where the tube sections meet as shown. SEE FIGURE 2.

STEP 2
