CAREER OPPORTUNITIES:

Parts & Web Content Specialist

Work within an E-commerce database to manage our parts & service website including photos, diagrams, and part lists.

Product Development Engineer for Lawn & Garden

Work with CAD designers and other team members to ensure that the designs are efficient to manufacture, successful in the marketplace and reliable in the field.

Assistant Technical Designer - Soft Goods

Assist in the design, illustration and technical aspects of our blinds, tents, shelters, and accessories.

Engineering Manager

Control the product development list and set priorities for the team. Design, implement, and refine product development, testing, and manufacturing processes. Manage engineering staff and assign tasks to engineering and technical personnel.

Prototyper - Camping/Hunting/ATV

Build physical prototypes and samples for Ardisam's Business Unit 2 division (Hunting, ATV, Camping). Take engineering concepts and turn them into working prototypes for testing and verification.

Electrical Engineer

Collaborate with colleagues from engineering, product development and manufacturing, and work across several Ardisam brands including ION, Eskimo, Earthquake, Castle and Yardbird.

Hunting & Camping Graphic Designer

Meet the visual design and marketing needs of our hunting and camping brands—Rivers Edge Treestands, Barronett Blinds, and Gazelle Tents. Work on a broad spectrum of digital and print projects in the exciting sporting goods industry.

Digital Marketing Manager - Eskimo and ION Brands

Uncover consumer insights and deliver innovative consumer direct marketing campaigns. Join a dynamic and fast-paced environment and generate strategies that grow market share.
